

More than 43 million adults in the United States struggle with basic reading, writing, or math.\*

*Here's how to help.*

## Volunteer to tutor

**Volunteers** are the heart and soul of Siena Literacy Center! Tutors are **matched with learners** and meet weekly, either **in-person** or **remotely**.

Tutors receive in-depth **orientation and training** and have access to workshop opportunities throughout the year.

## Make a donation

Everyone deserves an **education**. As a 501(c)3 non-profit, Siena Literacy Center relies on **generous individual and corporate sponsors** to provide **free high-quality services** to our learners. Visit our website or call to discuss how you or your organization can make the biggest difference.

**SIENA LITERACY CENTER**

# Adult Education

## Reading - Math

Adult learners at Siena improve their reading and math skills by working **one-to-one** with a **personal tutor**, either in-person or remotely.

Lessons are tailored to meet learners' **specific needs and goals**. Learners also work on lessons in our **computer lab** using specialized software.

## English as a Second Language

Would you like to improve your **English skills** or take the **U.S. citizenship test**? Since 1995, Siena Literacy Center has helped learners from more than **15 countries** meet their goals.

Siena Literacy Center was established in **1995** and has served more than **2,000** learners.

Some reasons learners are studying at Siena:

- To prepare for a **GED class**
- To improve **job skills** and **employability**
- To practice filling out **forms and applications**
- To take the **U.S. citizenship** test
- To prepare for other **entry level exams**
- To improve **computer skills** and **digital literacy**
- To **become more involved** in their community
- To **help their children** with their homework

*Discover your potential.*

## Digital literacy skills

Siena Literacy Center is an official Northstar digital literacy testing and training location. Students can take classes and earn certificates in:

- Basic computer skills
- Using the Internet and email
- Microsoft Office & Google Docs
- Career search skills
- And more
